**GENERAL COMMITTEE OF ADJUSTMENT – BOMBARDIER DIVISION 660  
- Shop & Rail –**

**Brothers and Sisters of Division 660:**

**It has come to the attention of the Division that one of our members took a call on Saturday Nov. 28<sup>th</sup>, and crossed the picket line of our striking brothers at CN Rail to assume the duties of the Locomotive Engineer on a CN freight.**

**Division 660 takes this violation of crossing a legal picket line very seriously. It is an abhorrent act that undermines organized labour.**

**Be assured that with the assistance of CN Division 70, Division 660 is presently investigating this incident thoroughly. If the facts show that this person did indeed take the call and cross the picket line, the Division will start the process of charging this individual under the appropriate sections of the IBT constitution.**

**It is critical that every one of us stand together and support our striking brothers at CN Rail.**
