**Brother Paul,**

**I want you to know that you have the complete support of TCRC Division 660 during this strike action against CN Rail.**

**Please let us know if there is any way that 660 members can support our CN brothers and sisters here in Toronto during this difficult period. If needed, we will be there.**

**Solidarity,**

**George MacPherson**

**General Chairman Paul Vicker's responded with his thanks.....**
